

## CERTIFICATE OF COMPANY APPROVAL

**Certificate No.: TTC-FDE21-892**

This certificate confirms that our Service Dealer

**Ing.-Büro Querin GmbH**

at regular basis attends to our Technical Training courses with their Service Technicians.

### Terms and conditions:

The holder of this certificate has, by attending several Training courses, obtained the necessary skills of Installation and Configuration of all Furuno Deep Sea equipment. Furuno equipment installed by a Service Technician employed with Ing.-Büro Querin GmbH is entitled to receive the full Furuno Deep Sea Warranty. The certificate is only valid when the holder complies with all relevant conditions and follows the rules and regulations described in the FURUNO equipment documentation.

Carried out installation, commissioning and service work is performed under the responsibility of Ing.-Büro Querin GmbH, meaning that FURUNO DEUTSCHLAND GmbH can not be held responsible for installation performed by the holder of this certificate and/or their employed Service Technicians.

FURUNO DEUTSCHLAND GmbH reserves the right to withdraw this certificate without prior notice to the holder.
